

# Environmental Policy

At Junel, we recognize the importance of environmental stewardship and are dedicated to minimizing our environmental impact through responsible practices and sustainable operations. This policy outlines our commitment to environmental sustainability.

## Policy Statement

We are committed to conducting our business in an environmentally responsible manner that respects and preserves the natural world. Our goal is to minimize our carbon footprint, conserve resources, and contribute to a healthier planet for current and future generations.

## Key Principles

### 1. Environmental Compliance

We pledge to comply with all relevant environmental laws, regulations, and standards applicable to our industry and operations. We strive to exceed these requirements whenever possible.

### 2. Resource Conservation

We are dedicated to conserving resources by minimizing waste generation, practicing efficient energy usage, and promoting recycling and responsible procurement practices.

### 3. Pollution Prevention

We are committed to preventing pollution at its source. We implement measures to minimize air, water, and soil pollution through proper waste management, emissions reduction, and responsible chemical usage.

### 4. Continuous Improvement

We believe in the continuous improvement of our environmental performance. We set measurable goals to track our progress and identify opportunities for enhancement.

## **Environmental Objectives**

- **Energy Efficiency**

We aim to reduce our energy consumption through energy-efficient technologies and practices, promoting a culture of conservation across the organization.

- **Waste Reduction**

We strive to minimize waste generation by implementing recycling programs, reducing single-use plastics, and optimizing packaging.

- **Emissions Reduction**

We are committed to reducing our greenhouse gas emissions by adopting cleaner technologies and practices that contribute to a healthier atmosphere.

- **Sustainable Sourcing**

We seek to source materials and products from environmentally responsible suppliers who share our commitment to sustainability.

## **Reporting Environmental Concerns**

We encourage all employees and stakeholders to report any environmental concerns or suggestions for improvement. Your insights help us maintain a positive impact on the environment. Please contact our Environmental Department at [hr@junel.com](mailto:hr@junel.com).

## **Conclusion**

At Junel, our Environmental Policy reflects our dedication to fostering a sustainable future. By adhering to these principles and working collaboratively, we aim to minimize our environmental footprint and contribute to a healthier planet.
